MacLaren Cup Knock Out Handicap Teams – Special Rules

6. First round matches should be completed by 21 November 2014.

Subsequent rounds should be completed by:

9 January,  
13 February,  
20 March and  
24 April.

7. Teams should refer to East District website to view progress of the Knock Out, and take action to organise matches as required. Contract details of team representatives are published on the website.

8. If any match cannot be arranged as above, the MacLaren Cup Convenor must be consulted. Matches will normally be played at the home team's customary venue, or in the case of a non-borders team playing a team from the Borders, at their intermediate venue (as nominated for league matches). Teams are at liberty to agree other venues. In any case where these arrangements would involve a team in more than one hour's travelling from their customary venue, the MacLaren Cup Convenor may be requested to specify a special intermediate venue.
