Book for the hotel Phone 01387 272 410 option 3 Mon-Fri 9-5
for the special congress rate quote the code **'SDBC12042'**

The Holiday Inn is situated in the delightful grounds of the Crichton complex, with over 80 acres of parkland, gardens and historic buildings with its own Memorial Church. There are two cafes and swimming pool and spa (discounted fee available to residents).

You may also have time to explore Dumfries with its strong connections to Robbie Burns and many varied walks along the river Nith.

Dumfries is connected by train and bus from Edinburgh, Glasgow & Carlisle for anyone not travelling by car.

We aim to make our congress a friendly, social event and are particularly keen to encourage those who are relatively new to the game to experience the pleasures of a congress.

We are fortunate to be welcoming **Alex Adamson**, who has played for, or managed, the Scotland team in many World & European and international bridge events. He has also written a number of books on the game. Alex will be giving tips on how to improve your bridge by using hand examples from Saturday afternoon's teams competition.
