VP scale from the WBF discrete table as published in the Diary

\*\* Match between Teams 3 & 4 was only 6 boards and has been scored on the 6-board scale

There are some discrepancies from the cards handed in, mainly due to errors in imping.

In one case there was a disagreement about the number of tricks won. Dispute in favour of the declarer who claimed fewer tricks than her opponents.

## How the Virtual Scores were calculated

Somehow everybody managed a complete match with boards 16-20

Boards 21-25 were not played by team 1: played by team 5 against 2 different opponents
